Published in 1952, of course, this edition is the first trade-book edition published in America. It is a wonderful read for young and old. Excellent choice for a gift or for yourself. You can edit any PDF document, such as a receipt, coupon, invoice, boarding pass, insurance

policy, purchase order, bill, invoice, business card, hospital record, catalog, bill of sale, term paper, etc., by adding fields. Simply click on the blank box and a small pop-up window will appear asking you for the field name. Once you enter the field name, click on OK. Repeat this process as many times as necessary. You can add fields in different ways. The easiest way is to create a new field and then add the value to it. You can edit or delete existing fields by clicking on them in the list. In addition to adding fields, you can also delete a field.
